The guilty policemen of Yeddo were promptly put to death, There may be those who believe that the guilty policeman of New York will be sent to Sing Sing. We health should become subscribers.

Just now the Camp Meeting season is at its height, not only here but in all parts of the country, and for that reason count of the origin of these gatherings from a recent article in the N. Y. Ob-

approached the marvelous. It was determined to renew the experiment the next year. From all parts of the State, as well as from bordering territory, immense numbers of people gathered. Reports say that there were assembled as many as twenty thousand persons, which was a wonderful number for that time.

"Since then the movement has continued to go on, though until within the last six or eight years it was thought that camp meetings were growing out of date. Within that period a new momentum has been given to them. It is the purpose of the Francisco.

monthly to the the same and the inches of our measure. There is no knowing how much longer this creature might ness gives it added interest. It is elehave lived, as it did not die a natural gantly bound, well illustrated, and in death, but was killed in mortal combat with an enormous pike, Mr. G.'s little son was present at the battle, but, seeing in it only something to amuse him, he want agents in every County. neither interfered nor called the domes-

tics to separate the combatants. THE strange and sad facts which were brought to light in England last year du ring the "baby-farming" trials have been so effectually placed before Parliament that at the last session of that body an act was passed, entitled, "An act for the better protection of infant life." Hitherto it has been the custom with parents, who for one or another reason did not wish to take care of their infant children, to place them in the keeping of persons who undertook to rear them for a consideration. Very ment by the parents, and a gross sum or money was paid at once to the baby-farmers, whose interest it henceforth was to appropriate as little to the children and as much to themselves as possible, and hence the shocking state of affairs which has called for parliament and the other Student and sume to the shocking state of affairs which has called for parliament and a year of foreign to the children and a year old for the purpose of keeping them apart from their parents more than a year old for the purpose of keeping them apart from their parents more than twenty-four hours, unless such person shall be the holder of alicense to underly-four hours, unless such person shall be the holder of alicense to underly-four hours, unless such person shall be the holder of children. Such lists and look to the State Fair, commencing September 2d, and continuing duping the first week of the strength of a magistrate's, clergyman's collies, where they hope in many cases of registered medical practitioner's cert circles are to be keeping the map of the strength of a magistrate's, clergyman's collies, where they hope in many cases of registered medical practitioner's cert circles as possible, and hope and the makes of the southern electoral votes cast for the southern electoral votes frequently this arrangement was intenlodging, and that the house where the infants are to be kept is fit for the pure bestowed on the country at least in has istration; of the many benefits it has bestowed on the country at large, in the pose. Rigid precautions are also taken against the overcrowding of these houses and the escape from surveillance of the persons licensed. The name, sex and age of each infant received must be registered, as well as the name and address of the person from whom it was received or removed(should the taken away), and for the Democratic papers in the north-hence it will always be possible to trace any child put out to nurse, and impossible for the person laving it in charge to evade the responsibility of filegally getting rid of the infant is completely guarded against by a clause which enacts that the coroner of the district in which the absy-farm is conducted shall be informed of the death. infant is completely guarded against by a clause which enacts that the corone associates, without taking into considerate of the death of every infant dying therein within the last will and testament made by the old gentleman when on his death of every infant dying therein without taking into considerate of the death of every infant dying therein without taking into ensided with the broad twenty-four hours after it has died, and unless the proprietor of the house satisfies him that there is no necessity for holding an inquest, he shall hall cases make the usual investigation into the vicissitudes on the house satisfies him that there is no necessity for make the usual investigation into the shrewdness of baby-farmers be unable to evade the stringent terms of this act, the possibility of carrying on one of the most inhuman traffics that is, to ex-rebels, is, that he of the saw way with.

INVESTMENT Securities.

W E continue to sell at par, adding accrued interest, the First Mortgage Gold Bonds of the Northern Pacific Railroad Company. On the completion of this season's contract, there will be FIVE HUNDRED AND SEVENTEEN MILES, of the main line of the road in operation, uniting Lake Superior with the Missouri River, and securing the large traffic of the Northwest. This amount of road also entitles the Company to Ten Million Four Hundred Thousand Acres of Land. located in Ceutral Minnesota, Eastern Dakota, and in the Columbia Valley on the Pacific Coast. The Bonds are secured by a first mortgage on the Road, its Traffic and Franchises, and on the entire Land Grant received from the Government. The rate of interest is Seven and Three-tenths, Gold, equivaent to about Eight and a Quarter per cent. in Currency. Believing the security to be ample, and the rate of interest satisfactory, we recommend these Bonds as a desirable investment. Holders of the United States 5-20s and high priced corporate securities may materially increase both their principal and their interestincome by exchanging for Northern Pacifics. 14th Day of September A.
